

In Partnership With:

Envisioning a World Free of Lung Disease

November 7, 2024

CT State Asnuntuck

170 Elm Street | Enfield, CT 06082

5:00 p.m. - 7:30 p.m.

Our vision is simple—a world free of lung disease. Join the American Lung Association as we speak with local experts on the latest in lung health. Participate and ask questions during strategic discussions on improving access to care, championing clean air for all, creating a tobacco-free future and defeating lung cancer. **Register for this free event today!**
