OUR MISSION

We, the members of Asnuntuck Community College Student Senate, strive to...**represent the students**...in matters concerning their interests, including establishing and maintaining working communications with the staff and faculty.

The Senate also provides students with opportunities to participate in governmental procedures and leadership.

The Senate emphasizes “**community**” at ACC by sponsoring and expanding programs of an educational, cultural, social and recreational nature, therefore enhancing and broadening the perspective of the community.

The Senate also works to establish a forum for student activities, and will help students find social and self-satisfaction.

What Are the Requirements?

- To be a student senator you must submit a petition with signatures of twenty-five (25) students that will endorse you as a senator.
- Be currently enrolled at ACC for at least three credits.
- Be available just a few hours a month.
- Have the desire to take part.
- Be willing to listen to fellow students.
- Maintain a 2.0 cumulative GPA
