

# Certified Pharmacy Technician

---

## Job Description

The effective Pharmacy Technician supports the Pharmacist in all sectors of his or her practice. Delegation of applicable duties to Technicians frees up the Pharmacist to deliver elements of Pharmaceutical care, which is one goal of his or her extensive education and ongoing credentialing. For example, in the retail setting, the demand for pharmacist-patient counseling continues to increase. As this pharmacy delivery model expands, the Technician's responsibilities will continue to grow.

## Employment Outlook

Pharmacy Technicians are projected by the U.S. Bureau of Labor Statistics to have over a 10% job growth from 2014 to 2024. Opportunities abound in Pharmacy for technicians to work from the retail setting to various institutional operations such as hospitals. Earning potential for a professional working in this area is \$30,920.

## Admission Requirements

Students must be 18 years of age and have a high school diploma or GED to enroll.

### Students participating in this program must:

- Be able to walk, bend, stoop and stand for extended periods of time.
- Be able to move quickly from place to place.
- Be able to perform duties in tight spaces.
- Be able to lift and/or carry 40 lbs

## Program Description

The Certified Pharmacy Technician program provides participants with the basic skills and training they will need to succeed as a Pharmacy Technician in the current healthcare delivery system. The course will include lecture, discussion and practical problem-solving exercises designed to give the student the tools needed to work as an effective Certified Pharmacy Technician anywhere in the United States. This course will also offer students an opportunity to become nationally certified by the Pharmacy Technician Certification Board (PTCB).

Topics to be covered include Pharmacy Technician roles in healthcare; operational skills needed to function in the workplace; introduction to pharmacology; various disease states along with

the drug regimen involved in each; medication distribution; control measures; quality improvement initiatives; aseptic technique for sterile product production; ethics; legal issues; and pharmaceutical calculations.

***The Essential Job Skills & Career Development course is REQUIRED to receive a certificate of completion for the Certified Pharmacy Technician program. See page 15 for the course description.***

Please be advised that if you have been convicted of a felony, you may not be eligible for clinical experiences, internships, externships or certifications associated with certain Healthcare Career programs. Those with previous convictions may also find it difficult to secure employment within a healthcare setting.

CRN: 1214/1168 HMED M7064

Dates: February 22- August 30, 2018 (no class 4/19, 5/24, 7/5, 8/16)

Day: Thursday

Time: 6:00 p.m. – 9:00 p.m.

Fee: \$2,117 (cost includes Pharm Tech course, textbooks, National PTCE exam)

Instructor: Veronica Weeks

Room: 210

**Optional: Pharmacy Technician Externship  
(80 hours)**

In this course, you will work with a coordinator to start and complete your externship. Externships can be limited in availability. Once registered, individuals will be placed on a waiting list in order of date of registration. As externships opportunities are identified, individuals must demonstrate core competencies to be placed in the field via an interview process and instructor approval. Students not ready for placement will go back to the top of the list and follow an individual learning plan for areas identified that need to be developed further with the instructor. The interview process will be followed again as the next externship opportunity arises until the individual is deemed ready for externship. Student participation on identification of externships is necessary, as individuals must learn to market their skills for employment. Students must still meet the interview requirements and have externship site approval for sites identified.

CRN: 1334/1335 HMED M7125

Dates: Work with Coordinator

Time: TBD

Coordinator: Michele Howard-Swan, mhoward-swan@asnuntuck.edu or 860-253-3061
