

2018-2019 Verification Worksheet for Independent Student

Your 2018-2019 Free Application for Federal Student Aid (FAFSA) was selected for review in a process called verification. The law says that before disbursing Federal Student Aid, your school must confirm certain information reported on your FAFSA.

You must complete and sign this worksheet. Submit the form and other required documents to your college's Financial Aid Office. If additional information is required, it will be specified online within the Financial Aid pages of Banner Self-Service, so check frequently for updates and any outstanding requirements.

To verify that FAFSA information is correct, the financial aid administrator at your college will compare your FAFSA with the information on this worksheet and any other required documents. If there are differences, your FAFSA information may be corrected. If you have questions, contact your college's Financial Aid Office as soon as possible to avoid delays in receiving your aid.
