

Potential part-time lecturer positions

Ongoing search for potential part-time lecturer positions in mathematics. Please indicate availability (day, evening, or both).

Communications:

The area of communications is seeking Part-Time Instructors for day-time courses. Interested candidates should indicate their past teaching experience in relation to specific courses taught and the college/university at which courses were taught.

Minimum Qualifications: Master's degree in communications with previous postsecondary teaching preferred.

Applicants who do not meet the minimum qualifications are encouraged to state in writing precisely how their background and experience have prepared them for the responsibilities of this position. Exceptions to the degree requirements may be made for compelling reasons.

Please send resumes and Board Application to: AS-Adjuncts-HR@asnuntuck.edu.
