

Potential part-time lecturer positions

Ongoing search for potential part-time lecturer positions in Chemistry. Please indicate availability (day, evening, or both).

Chemistry:

The area of Chemistry being sought is for Part-Time Instructors for credit level courses. Experience with teaching General Chemistry I and II desired. Interested candidates should indicate their past teaching experience in relation to specific courses taught and the college/university at which courses were taught.

Minimum Qualifications: Master's degree in Chemistry or equivalent

Applicants who do not meet the minimum qualifications are encouraged to state in writing precisely how their background and experience have prepared them for the responsibilities of this position. Exceptions to the degree requirements may be made for compelling reasons.

Please send resumes and Board Application to: AS-Adjuncts-HR@asnuntuck.edu.
