

ADVANCED SKIN ESTHETICS

Job Description

Estheticians provide skin treatments, hair removal, and other processes that help men and women maintain their personal appearance. Estheticians with advanced training can provide chemical exfoliation, microdermabrasion, lash and eyebrow tinting and lifting, sunless tanning and more. Estheticians have extensive knowledge of skin types, potential allergies, and other complications that may arise from treatments so they can make expert recommendations for each client. Work environment can vary from sterile to spa like, plush resorts to home-based businesses, as well as medical spas.

Employment Outlook

Advanced Estheticians earn an average of \$51,000. These figures include part time workers. Many advanced estheticians earn considerably more. Per the U.S. Bureau of Labor Statistics, employment of skin care specialists is projected to grow 14% from 2016 to 2026, much faster than average for all occupations.

Admission Requirements

Students must have successfully completed the Basic Esthetics program or currently be working as an Esthetician to participate in this course.

Students must be 18 years of age and have a high school diploma or GED to enroll in this course.

Students who participate in this program must:

Have the ability to perform multiple body movements including range of motion of extremities to maneuver in small spaces to complete tasks.

Have sufficient physical endurance to complete assigned work and/or projects in clinical practice.

This program is **CT SNAP** and **MASS WIOA** approved.

Program Description

The course curriculum will provide students the hands-on experience in chemical exfoliation, microdermabrasion, ultrasonic and hot stone facials, advanced waxing, body treatments, camouflage and airbrush makeup, basic aromatherapy, advanced facial massage, medical terminology, working in a medical environment, holistic and alternative skin care using other exfoliation techniques.

Students will be required to perform service on other students as well as the public in our supervised spa clinic setting.

Asnuntuck Community College is a Dermalogica and PCA partnership school and participates in the M·A·C PRO Student Program.

Upon successful completion of this program students will earn a certificate in Advanced Skin Esthetics.

Please be aware that students with previous convictions may find it difficult to secure employment within this field.

Time Commitment

This 3-month program meets for 300 hours. The program includes 50 hours of classroom instruction and 250 hours of clinical instruction.
