

BASIC SKIN ESTHETICS

Job Description

Estheticians provide skin treatments, hair removal, and other processes that help men and women maintain their personal appearance. Estheticians have extensive knowledge of skin types, potential allergies, and other complications that may arise from treatments so they can make expert recommendations for each client. The work environment can vary from sterile to spa-like and plush resorts to home-based businesses.

Employment Outlook

Per the U.S. Bureau of Labor Statistics, employment of skin care specialists is projected to grow 14% from 2016 to 2026, much faster than average for all occupations. Earning potential for a Basic Esthetician in the area is approximately \$37,388. Advanced estheticians earn an average of \$13,000 more per year than basic estheticians. We highly recommend taking both Basic and Advanced programs to increase job opportunities and income potential.
