
Veterinary Nurse

Animal Medical Clinic (AMC) is a progressive, privately owned veterinary hospital in Manchester, CT seeking a full time or part-time experienced veterinary nurse. AMC seeks someone who is passionate about providing quality, advanced veterinary care for our patients while educating and communicating with our clients and each other, and working together as a cohesive team. The hospital is respected both for its general practice and reproductive specialties.

The new team member's responsibilities will include communicating with clients, monitoring anesthesia, assisting in appointments, running in house laboratory work, proper animal restraint, venipuncture, along with other routine veterinary nurse duties.

The ideal candidate will have 2 or more years' experience as a veterinary technician, proven skills in anesthesia monitoring, surgical preparation and recovery, excellent communication and problem solving skills. The candidate should also possess computer/technology proficiency and the ability to learn electronic medical records systems.

Our compensation package includes health care, pet care, and paid time off. Interested candidates should submit a resume with cover letter to Lauren Payne, the Practice Manager, at lpayne.animalmedicalclinic@yahoo.com

Job Types: Full-time, Part-time
