How to Print from Google Docs

1. Go to Google Docs (docs.google.com), use your Google account to sign in.

2. Open the document you want to print

Start a nev	Start a new document			Template	te gallery 🗘
+		And the second s	an and a second	Prijec Name Termine Termine	And the second s
Blank	Resume Serif	Resume Coral	Letter Spearmint	Project proposal Tropic	Brochure Geometric
Recent documents			Owned by anyone 👻		≣ Ą́z
STEL STATES OF A STATES OF A S		A	а 1		

3. To print, you can click the **print icon**, or find **Print** under **File**, or press **Ctrl** and **P** at the same time on your keyboard.

4. After you click **Print**, a window will pop up which allows you to choose your destination (select printer) or change print settings. (Windows may not look the same as below on different devices) Select your printer and click **Print**.
