Dear <<MRMS>> <<LAST>>:

Music legend Bruce Springsteen, once said, *"The best music is essentially there to provide you something to face the world with."*

We all have had to face incredible challenges this past year, and through music, we hope to face the world together and start rebuilding. It is on this musical note, that we ask you to partner with the Asnuntuck Community College Foundation for **Dueling Pianos – "Music and Song for Scholarships"** on **Thursday, May 20, 2021**. This new fundraiser features an hors d'oeuvres reception, a silent auction and a live musical performance at La Notte in East Windsor under their event tent.

Guests will be entertained by New York City's Upscale Dueling Pianos— an interactive, comical, and high-energy show featuring two pianists on stage singing and interacting with the audience. Favorites like *Piano Man*, *Don't Stop Believin'*, and classics from *Sinatra* and *The Boss* will have guests feeling like they are a part of the show. This is guaranteed to be an exciting evening filled with music and song for a good cause.

The success of this event is crucial to the students in our community who rely on scholarships from the Asnuntuck Foundation to remove barriers and to help them further their education. In sponsoring this event, you have an immediate impact by giving students the opportunity to succeed. Grateful for the Foundation's assistance, Asnuntuck student Alicia St. Peter shared, "I am so thankful to Asnuntuck supporters! Not only have they provided me with an amazing learning experience, but I am able to afford to stay in classes full-time through scholarships from the ACC Foundation. I would not have been able to earn a degree without scholarship support."

By supporting this scholarship event, you exhibit your commitment to higher education and workforce development in our community. A form outlining sponsorship opportunities is enclosed. These exciting packages are inclusive of direct student support and great marketing exposure for your company that will create a positive influence, and will have everyone on their feet singing and dancing!

Let's listen to the *music*, and *face the world* together. Together, we can make a difference and provide opportunity for Asnuntuck students in 2021.

Sincerely,
