Program Information

Outcomes: 1. Recall and articulate medical terminology and healthcare abbreviations. 2. Perform blood collection techniques using the evacuated tube system, capillary puncture, and winged infusion methods. 3. Demonstrate safe and precise collection, transportation, and handling of human specimens. 4. Control infection using aseptic techniques in all stages of venipuncture. 5. Apply appropriate legal and ethical standards to the practice of healthcare. 6. Develop life management skills, work ethics, and critical thinking skills necessary for all health providers.

Employment Information: ACC serves 3 counties for health-care certificate programs: Hartford County and Tolland County in CT, and Hampden County in MA. At this time, the Bureau of Labor Statistics anticipates a demand for phlebotomy technicians will increase by 25% from 2016-2026. The wages range from \$31,000-\$35,000 with a median pay of \$33,670 per year. According to JobsEQ, over 50 linked occupations were added to the region in the past three years. The employment demand will require 239 additional new workers due to retirements or job changes (i.e. move away).

Graduation Information: A cumulative 2.0 GPA is required to graduate. All courses for degree credit must be numbered 100 or above. Students must complete and submit a Graduation Application to the Registrar's Office in order to graduate.

Graduation Application Deadlines: December graduation - December 1st, May graduation - March 31st, August graduation - August 1st.
