

ESTHETICIAN

Job Description

Estheticians provide skin treatments, hair removal, and other processes that help men and women maintain their personal appearance. Estheticians have extensive knowledge of skin types, potential allergies, chemical exfoliation, microdermabrasion, lash and eyebrow lifting and tinting, sunless tanning and other complications that may arise from treatments so they can make expert recommendations for each client. The work environment can vary from medical to spa-like and plush resorts to home-based businesses.

Employment Outlook

Per the U.S. Bureau of Labor Statistics, the earning potential for an Esthetician in the area is approximately \$37,300 plus gratuity.

Admission Requirements

Students must be 18 years of age and have a high school diploma or GED to enroll in this course.

Students who participate in this program must:

- Have the ability to perform multiple body movements including range of motion of extremities to maneuver in small spaces to complete tasks.
- Be able to sit, stand, stoop and bend for lengths of time.
- Have sufficient physical endurance to complete assigned work and/or projects in clinical practice.
- Be willing and able to perform skin treatment services on other students, staff, faculty and the general public in a supervised spa clinic setting.
- Be willing and able to receive skin treatment services from classmates in a supervised spa clinic setting.
- Agree to the terms of the Safety Guidelines.

This program is **CT SNAP** approved.

Program Description

The course curriculum will provide students the hands-on experience in facials, waxing, makeup application, chemical exfoliation, microdermabrasion, ultrasonic and advanced waxing, body treatments, camouflage and airbrush makeup, basic aromatherapy, advanced facial massage, medical terminology, working in a medical environment, holistic and alternative skin care using other exfoliation techniques.

Course highlights include:

- Skin Sciences: anatomy, physiology and histology of the skin, diseases and disorders.
- General Sciences: anatomy and physiology of the body, infection control, first aid, chemistry, electricity and machines used in the practice of esthetics.
- Theory: history of esthetics, ethics, communication, professionalism, resume building and job attainment skills.
- Practical Esthetics: facial and body care protocols, massage, application and color theory of cosmetics plus hair removal techniques, and sunless tanning.
- Business: fundamentals of business, management, business plan, marketing, contracts, laws, regulations and retail sales.

Students will be required to perform service on other students as well as the public in our supervised spa clinic setting. Students will be required to receive services from other students in a supervised spa clinic setting.

Asnuntuck Community College is a PCA partnership school and participates in the M·A·C PRO Student Program.

Please be aware that students with previous convictions may find it difficult to secure employment within this field.

Licensure for Estheticians is required in Connecticut as of July 2020. This program meets all requirements to apply for Connecticut Esthetics license. Students can apply for State of Massachusetts licensure as well, if they so choose.

Time Commitment

This program includes 650 hours of classroom and clinical instruction. Successful completion of all 650 hours is required to earn certification. The daytime program is approximately 6 months and the evening program is approximately 1 year.
