Program Description

This program prepares students to enter the ophthalmic medical personnel field as Ophthalmic Assistants. Ophthalmic Assistants perform duties as assigned by the ophthalmologist for whom they work. All aspects of the Ophthalmic Assistant's role will be covered in a classroom setting and clinical/hands-on sessions. Course topics include: Ocular Anatomy, Pathology, Pharmacology, Optics, Lensometry, Refraction, Tonometry, Lensometry, Optical Coherence Tomography, Keratometry, Perimetry, HIPPA compliance and Electronic Medical Records. Upon earning the college certificate, students must complete 1,000 hours of paid work experience under ophthalmologic supervision to be eligible for the Joint Commission on Allied Health Personnel in Ophthalmology Certification. For more information on the certification options, visit the website www.jcahpo.org. Lectures will be held on campus. The clinical/hands-on experience will be held at a local eyecare center. Students must provide their own transportation.

Please be advised that if you have been convicted of a felony, you may not be eligible for clinical experiences, internships, externships or certifications associated with certain Healthcare Career programs. Those with previous convictions may also find it difficult to secure employment within a healthcare setting.

The Essential Job Skills & Career Development course is REQUIRED to receive a certificate of completion for the Ophthalmic Assistant program.

This program is CT SNAP & CT WIOA approved.
