CT STATE – ASNUNTUCK MARKETING REQUESTS

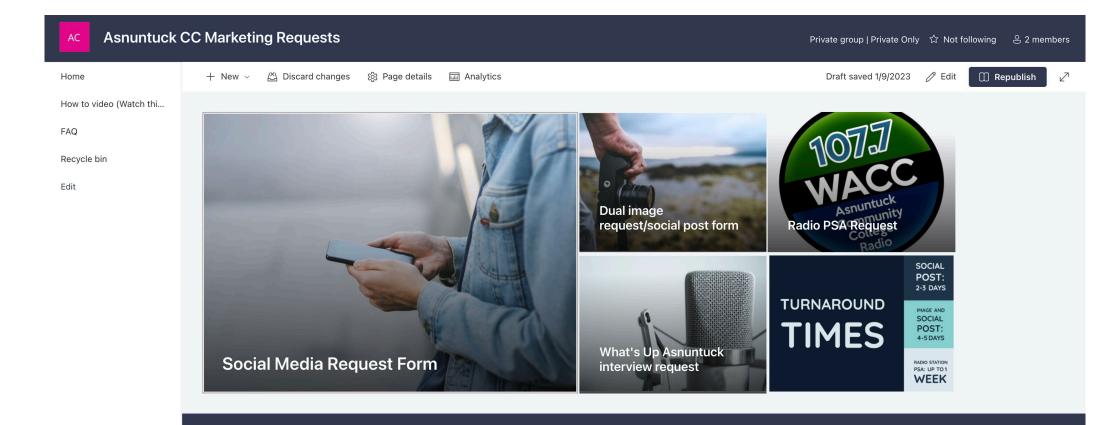

## WHAT SHOULD BE MARKETED ON OUR SOCIAL MEDIA PLATFORMS?

- ANYTHING that has to do with our student population or may be something they are interested in that occurs in our local communities of the service area
- This can include formal events like open houses and FAFSA information, but also class information, events that are taking place on campus and real-time messaging about anything (weather, etc.)
- Social media is a community; we should strive to have all posts relate to our college's individual community

### HOW DO I GET TO THE MARKETING REQUEST FORM?

- www.asnuntuck.edu/marketingrequests still works to get to the main page
- Sign in with your Microsoft/campus account
