Fall 2024 Census Report

Report Sources and Information	The weekly preliminary credit enrollment and census reports draw from the F02 and F05 Banner extracts for current and prior year enrollment data and the Argos Financial Aid student extract for student financial aid data. Current enrollment is compared to snapshots of enrollment from an appropriate date from the prior year. Prior year modality data is not currently available for prior year comparison.
% Change vs. Prior Year	The difference between the current year number and the prior year number, divided by the prior year number
Additional Students Enrolled	Total headcount of students taking classes at a campus other than their home campus
Enrollment Level	Students taking 12 or more credits are full-time students; all other students are part-time students.
Fill Rate	Current enrollment of all sections offered divided by maximum enrollment
Full Time Equivalents (FTE)	Total credit hours divided by 15
Home Campus Headcount	Total number of students designating (or assigned) to their home campus
Modality	Instructional method of classes that students have registered for: Students taking only LRON (live remote and online) and ONLN (fully online) sections are classified as "All Remote;" students taking OLCR (online with class component) LRCR (live remote or on ground), HYBR (online and classroom), or FLEX sections, or taking any combination of fully online, partially online, or in-person classes are classified as "Some Remote;" all other students are classified as "All in-Person."
Race and Ethnicity	Students are grouped into race and ethnicity categories based on U.S. Office of Personnel Management classifications. Native Americans, Alaska Natives, Native Hawaiians, Pacific Islanders, students reporting two or more races and students not reporting their racial or ethnic identity are combined under "Various/Multiple/Unknown." U.S. Nonresidents are included in their chosen racial-ethnic group rather than recategorized as "Various/Multiple/Unknown."
Seats Filled	The sum of all section registrations by enrolled students
Student Type	"New First Time" students are enrolling for credit for the first time as postsecondary students; "Transfer-in" students have been enrolled for credit at a non-CT State institution but are enrolling here for the first time; "Continuing/Readmitted" students have previously enrolled at CT State for credit; "High School Dual Enrollment" students are secondary students taking college-level credit classes at a CT State location.
Total Students Served	The sum of Home Campus Headcount and Additional Students Enrolled
