Notes

1. Full-time equivalent enrollment is calculated in this worksheet as 15 undergraduate credit hours = 1 FTE, 12 graduate credit hours = 1 FTE. This figure will be lower than official FTE reports based on credit hours, which include a full 12 months of instructional activity as well as official FTE reports based on the NCES fall headcount conversion formula.

2. For CT State headcount is based on home campus count. Credit Hours and FTE is calculated based on seat campus.

3. Data Sources: CSU, COSC and CT State Community College Institutional Research Offices.

Notes

Full-time equivalent enrollment is calculated in this worksheet as 15 undergraduate credit hours = 1 FTE, 12 graduate credit hours = 1 FTE. This figure will be lower than official FTE reports based on credit hours, which include a full 12 months of instructional activity as well as official FTE reports based on the NCES fall headcount conversion formula.
